

POSITION

Landscape Technician

SUMMARY DESCRIPTION

This full-time position is designed to provide meticulous maintenance of Walker grounds and supporting systems. This position is ideal for someone with landscaping experience and looking for full-time work instead of seasonal.

RESPONSIBILITIES:

- Mow and trim the property to the highest standards (this property showcases the capabilities of the Walker Mower)
- Ability to run, maintain and troubleshoot complex irrigation systems, including wells, pumps, timers, etc.
- Maintain equipment, including Walker Mowers, company vehicles and trailers, plowing equipment, etc.
- Plant annuals, weed flower beds, fertilize lawn, trim trees, mix and apply liquid weed control products
- In the winter, plow and maintain driveways, parking lots, and sidewalks. When outside work is not available due to time of the year or weather conditions, will work in a variety of production capacities
- Safely haul materials both to and from the facility, often with a truck and trailer (valid driver's license required)

QUALIFICATIONS:

- Skilled at the operation and maintenance of Walker Mowers
- Must demonstrate a high degree of landscaping and landscape design skills
- High ethical standards. Must welcome accountability and supervision
- Previous experience and competency in outdoor power equipment maintenance, irrigation systems, etc.
- Demonstrated attention to detail, critical thinking skills and project management/organizational skills
- Ability to communicate with co-workers in a busy yet congenial environment. The candidate must be highly motivated and work well both independently and as part of a team. Must be a self-starter, self-directed, self-administered without a lot of direct supervision
- Demonstrated history of reliable and consistent attendance
- Experience operating vehicles with trailers is recommended

PHYSICAL REQUIREMENTS:

This position requires frequent medium duty work with occasional heavier duty work (lifting 50-75 lbs.) as circumstances warrant. This position requires frequent standing, sitting, walking, lifting, carrying, grasping and pushing.\
